

## MONEY MONEY (SALLIE AND GWEN)

Money makes the world go around  
The world go around  
The world go around  
Money makes the world go around  
It makes the world go 'round.

A mark, a yen, a buck or a pound  
A buck or a yen  
A buck or a pound.  
Is all that makes the world go around  
That clinking, clanking sound  
Can make the world go 'round

Money money money money  
Money money money money  
Money money money

If you happen to rich  
And you feel like a night's entertainment  
You can pay for a gay escapade  
If you happen to be rich and alone  
And you need a companion  
You can ring (ting-a-ling) for the maid

If you happen to be rich  
And you find you are left by your lover  
And you moan and you groan quite a lot  
You can take it on the chin  
Call a cab and begin to recover  
On your 14-karat yacht! What!?

Money makes the world go around  
The world go around  
The world go around  
Money makes the world go around  
Of that we both are sure  
On being poor!

## MONEY MONEY (SALLIE AND GWEN)

Money money money  
Money money money  
Money money money  
Money money money

INSTRUMENTAL BREAK 8 MEASURES

Money money money  
Money money money  
Money money money

INSTRUMENTAL BREAK 8 MEASURES

Money money money, money money money  
Money money money, money money money  
Money money money, money money money  
Money money money, money money money

When you haven't any coal in the stove  
And you freeze in the winter  
And you curse to the wind at your fate  
When you haven't any shoes on your feet  
Your coat's thin as paper  
And you look 30 pounds underweight

When you go to get a word of advice  
From the fat little pastor  
He will tell you to love evermore  
But when hunger comes to rap  
Rat-a-tat rat-a-tat at the window  
(At the window!)  
Who's there? (hunger) oh, hunger!  
See how love flies out the door

## **MONEY MONEY (SALLIE AND GWEN)**

For, money makes the world go around  
The world go around

Money money money money  
Money money money money.  
Get a little, get a little  
Money money money money  
Mark, a yen, a buck or a pound
