SET:

Stage right is a table with a podcast style microphone, a laptop computer, and a chair.

Stage left are two simple chairs that are moved to various places on the stage as needed for scenes.

ACT 1 SCENE 1**INT. BAY STREET CABARET STAGE - NIGHT**

As the lights come up, BARRY LEFKOWITZ sits in the chair at the table in front of the microphone, the laptop facing him.

He hits a button on the laptop keyboard. He reads from a script and when he speaks, he has a deep, dramatic voice.

BARRY

Welcome... to the first episode of
the all-new, all-true podcast,
"Murder at the Bay Street Cabaret!"

Barry hits a key on his computer.

SOUND CUE: Silly music plays.

Bryce hits a key and the music stops. He hits another.

SOUND CUE: Dramatic music plays.

BARRY (CONT'D)

I'm your host, Bryce Maxwell.

Barry hits a key the computer. Barry's MOM steps out stage right with a phone, as if leaving a voicemail.

MOM

Hello, Barry? It's your mother,
Debbie Lefkowitz.

Barry starts hitting keys on the computer.

MOM (CONT'D)

I say my full name just in case
you've forgotten who I am, since
you never call.

BARRY

(still hitting buttons)
Fuck.

MOM

I wanted to let you know that I got
you an appointment with Dr. Levine
about that problem you're having
with your penis.

BARRY

FUCK!

MOM

It's nothing to be ashamed of.
Lots of men have very small
schmenkes. Not your father, thank
God. That man was as big as a...

Barry finally hits the right key.

SOUND CUE: DRAMATIC MUSIC STING

Barry's Mom exits. Barry sits there for a moment, takes a
breath, continues.

BARRY

"Murder at the Bay Street Cabaret"
is made possible by QVD, a cutting
edge advertising system that
automatically inserts sponsor
messages based on key words it
hears during the podcast. But I
want to be clear. I'm doing this
to share the horrifying secrets I
uncovered - to unmask a killer.
For me, it isn't about money.

PEGGY PROCTOR (SPONSOR #1) and BETTY BABCOCK (BETTY).

PEGGY

Mo' money, mo' problems.

BETTY

You can say that again.

PEGGY

Okay. Mo' money, mo' problems.
Hi, I'm Peggy Proctor.

BETTY

And I'm Betty Babcock.

PEGGY

We're with QVD, which is like that
other channel you're thinking of,
but different so you can't sue us.

BETTY

Hey, Peggy, what do you do when you
have 'mo money and 'mo problems?

PEGGY

I pay a visit to the nearest First
Third Fifth Eleventh National Bank.
They know what money is all about.

SOUND CUE: "MONEY, MONEY" FROM *CABARET*

Peggy and Betty perform the song. At the end of it...

BETTY

First Third Fifth Eleventh National
Bank. Money makes us go around.

Peggy holds up a hamburger phone.

PEGGY

Qualifying deposits get a free
hamburger phone!

Peggy and Betty exit.

END ACT 1 SCENE 1

ACT 1 SCENE 2**INT. BAY STREET CABARET STAGE - NIGHT**

Barry picks up his script and continues reading.

BARRY

I am podcasting from the Bay Street Cabaret stage... the literal scene of the crime. Mere feet from where I'm sitting was where they found the body. I've seen the crime scene photos, and I'm here to tell you it was ugly.

Peggy comes out.

PEGGY

You know what else is ugly? Your face. But not when you use Pretty, Pretty Girl Cosmetics.

SOUND CUE: PRETTY, PRETTY GIRL COSMETICS COMMERCIAL

PEGGY (CONT'D)

OH MY GOD YOU'RE UGLY
YOUR FACE COULD STOP A TRUCK
BUT DON'T DESPAIR
THERE'S HOPE, I SWEAR
YES, YOU ARE IN LUCK!
PRETTY, PRETTY GIRL
ONLY PRETTY GIRLS CAN TWIRL
COVER UP YOUR UGLY WITH
PRETTY, PRETTY GIRL

Betty comes out with a makeup bag.

BETTY

Now cruelty free. We only test it on ugly animals.

Peggy and Betty exit.

BARRY

Anyway, full disclaimer... I have a history with the Bay Street Cabaret. I've been in their shows, but always as a bit player. A member of the ensemble. Those who took the spotlight were not willing to give it up easily.

(MORE)

BARRY (CONT'D)
 Could that have been the thing that
 got one of them murdered?!

Barry hits a key on the computer. Barry's Mom comes back out
 again with the phone.

MOM
 ...a horse. Barry, I swear to God,
 it's a wonder I can still walk.

Barry hits a key again and Mom exits.

BARRY
 ...murdered.

Barry carefully hits a key.

SOUND CUE: DRAMATIC MUSIC STING

He takes a breath.

BARRY (CONT'D)
 I want to make one thing clear:
 just because I wasn't a part of
 their little clique... just because
 I didn't get the big showy songs...
 Just because they gave "If I Were a
 Rich Man" to Chris fucking Stanley
 with his muscles and his hair and
 his eyes and his muscles instead
 of, oh, I don't know, Barry
 Lefkowitz. I mean it's "Fiddler on
 the Fucking Roof" for God's sake...
 (beat - resets)
 But none of that influenced my
 decision to do this podcast. No,
 this is about justice. It's about
 the truth of who was murdered, who
 did the murdering, and why. It's
 not about anything else.

SOUND CUE: "SCHADENFREUDE" FROM AVENUE Q

At the end of the song, Barry returns to the podcast table.

END ACT 1 SCENE 2

ACT 1 SCENE 3**INT. BAY STREET CABARET STAGE - NIGHT**

Barry picks up the script.

BARRY

It all started when the Bay Street Cabaret decided to put on an original production entitled, "Murder at the Bay Street Cabaret." How's that for irony?

Peggy enters.

SOUND CUE: IRONY CANDY SHOP AND DENTAL COMMERCIAL

PEGGY

IT'S LIKE DROPPING DEAD
AT THE FOUNTAIN OF YOUTH
THERE'S A CAVITY
IN YOUR SWEET TOOTH
WE'LL ALWAYS BE
SWEET AND GENTLE
AT IRONY CANDY STORE
AND DENTAL
WHICH IS ACTUALLY IRONIC
UNLIKE THE SONG WHICH JUST HAS A
BUNCH OF BAD SHIT THAT HAPPENS BUT
ISN'T REALLY IRONIC
BUT WE LOVE YOU ANYWAY ALANIS
AT IRONY CANDY AND DENTAL

Peggy exits. Barry takes a beat and continues.

BARRY

The show was yet another overly ambitious thing thought up by their asshole producer, Rick - don't get me started on *that* guy. It involved a murder mystery and Broadway songs and some audience interaction that was way more complicated than it needed to be. I mean, it's a cabaret, for God's sake. Couldn't they just get up and sing some fucking songs and call it a day? God, Rick is such an asshole. And he's like 97 years old. Shouldn't you be drooling in a cup somewhere? Anyway...

(MORE)

BARRY (CONT'D)
 many people were involved in the show and by the end of the intermission, one of them was dead and one of them had committed murder.

MARE L. STREIP enters and stands stage center.

BARRY (CONT'D)
 The leading lady. Audiences loved her, but everyone else hated her. She was like Atilla the Hun only without the subtlety - just ask any of her ex-husbands. Oh wait... you can't... they're all dead. Coincidence? You decide.

MARE
 My name is Mare L. Streip. No, not that one. Mare... like that show Mare of Easttown with the chunky girl from Titanic? Middle initial L for Liberty, named after my father. He was a republican. And Streip, but spelled with a i, so it's different, okay,? Mare L. Streip. So, we can't get sued.

(beat)

I star in all the shows at the Bay Street Cabaret. I know it's beneath my talent, but my heart belongs to the stage. And I like to be close to the little people.

(looks at audience)

But not you.

(beat)

Yes, it is true, I have been married many times. That's not a crime. And the fact that they died under mysterious circumstances, well that's not a crime either... As long as I don't get caught. It's a joke. I can be funny. No, I loved each and everyone of my husbands. I would have done anything to keep my love for them alive.

SOUND CUE: "TO KEEP MY LOVE ALIVE" FROM A CONNECTICUT YANKEE

After the song, Mare exits.

END ACT 1 SCENE 3

ACT 1 SCENE 4**INT. BAY STREET CABARET STAGE - NIGHT**

Barry continues at the microphone.

BARRY

Most everyone in the Bay Street Cabaret hated Mare, and by the start of the second act we'd find out if they hated her enough to kill her. Or if she was the one driven to kill.

Barry pauses for a moment and looks around, then continues.

BARRY (CONT'D)

I said driven. I was sure there would be a car commercial there.

(shrugs)

But Mare was not the only person who could be a potential victim or potential murderer. Seeing that was not hard.

Peggy comes out center.

SOUND CUE: COXAPRO COMMERCIAL

PEGGY

IT HAPPENS TO EVERY MAN
TROUBLE STAYING HARD
AND NOT EVEN A MILKSHAKE
BRINGS THE BOYS TO YOUR YARD
WELL THERE'S A LITTLE PILL
ABOUT WHICH YOU SHOULD KNOW
GET IT UP
FOR YOUR HOOKUP
WITH COXAPRO

The jingle continues as Betty comes out.

BETTY

Warning. Coxapro may have serious side effects including headache, nausea, diarrhea, uncontrollable spasms, memory loss, hair loss, vision loss, hearing loss, limb loss, painful erections that last for days and may leave you unable to ever get it up again, and death.

(MORE)

BETTY (CONT'D)

Ask your doctor if Coxapro is right
for you!

PEGGY

SO GET YOURSELF THE PILL
AND YOU'LL BE GOOD TO GO
SHOW YOUR MIGHT
STAY HARD ALL NIGHT
WITH COXAPRO

Betty and Peggy exit.

BARRY

Every leading lady needs a leading
man and the Bay Street Cabaret had
one. He was the worst of the
worst. Despicable, pure evil
personified.

WESLEY SMITHSITHINS SMYTHE III enters center. He speaks with
an exaggerated British accent and is all smiles.

WESLEY

Hello, hello, hello. Welcome,
wonderful to see you. You're
looking well, aren't you? Yes. My
name is Wesley Smithsithins Smythe
the third and I do so love taking
part in these little shows. Now,
some people will say to me, Wesley,
you were on the West End. You were
on Broadway. You've won awards and
acclaim the adoration of millions
of fans. What are you doing in a
place like the Bay Street Cabaret?
What could have brought you from
the heights of the heights to here?
And I just have one word for them.
Vodka. But I'm happy to be here.
Very happy. So... so happy. But,
I will admit... I do sometimes sit
in my overpriced studio apartment
in... Pooler... and remember what
things were like. Ah... the good
old days.

SOUND CUE: "THOSE WERE THE GOOD OLD DAYS" FROM *DAMN YANKEES*

At the end of the song, Wesley exits.

END ACT 1 SCENE 4

ACT 1 SCENE 5**INT. BAY STREET CABARET STAGE - NIGHT**

Barry continues his podcast.

BARRY

Was Wesley the murderer or the
murderee? Murderee? Is that
right? Murderer-ee? Murdee? The
one that got murdered.

(with menace)

Only time would tell.

Barry hits a key on his computer and DR. LEVINE enters.

DR. LEVINE

Barry, this is Dr. Levine. You
mother called me about your micro
penis and...

Barry hits a key again quickly and Dr. Levine exits.

BARRY

(takes a beat)

Not every member of the Bay Street
Cabaret sought the spotlight. Some
of them preferred to operate behind
the scenes, but I always wondered
if that was so they could lurk in
the shadows. Who knows what kind
of madness lived there.

ROSALIE ARMSTRONG (AKA THE STAGE MANAGER) enters. She talks
a mile a minute and has the manner of someone who has just
escaped from a lunatic asylum.

ROSALIE

Yeah, I'm Rosalie Armstrong and I'm
the stage manager here at the Bay
Street Cabaret and it's not an easy
job, I gotta tell you. I've got
all these performers buzzing around
me like flies all the time. Just
buzz, buzz, buzz.

(waves away an unseen fly)

Did you hear that?

(looks around, paranoid)

And the producer wasn't kidding
when he said we put these things
together in, like, a week. Which
for him is like, "oh, look at me.

(MORE)

ROSALIE (CONT'D)

I'm so creative. I'm so talented. I write movies for the Hallmark Channel." It's the same fucking movie every time! And he's not the one who has to pull all this together. I do! I do! I do! Me! It's like herding cats and not the cute fuzzy kind that purr and meow, meow, meow. No, it's the Andrew Lloyd Weber kind from the movie with the weird nipples and the...
(moves like a Cats dancer)
But I do it. I do it every time. And do I ever get any credit? No! Oh sure, they take their bows at the end of the show while everyone cheers and they point. You know...

Rosalie mimes taking a bow and then pointing off as if to acknowledge the crew.

ROSALIE (CONT'D)

But by then, the audience is like, "fuck, just get me out of here so I can get back to where I parked my car before the shooting starts." Sometimes it just makes me so mad I could kill someone!
(beat - psycho smile)
But we're so happy you joined us tonight. Really we are...

SOUND CUE: "BE OUR GUEST" FROM *BEAUTY AND THE BEAST*

At the end of the song, Rosalie exits.

END ACT 1 SCENE 5

ACT 1 SCENE 6**INT. BAY STREET CABARET STAGE - NIGHT**

Barry's podcast continues.

BARRY

Rosalie seemed like the murdering kind, but could her crazy have gotten her killed? Either way, her fate would soon be sealed.

Barry goes to hit a key but then stops. Instead he does an imitation of dramatic music

BARRY (CONT'D)

DUN-DUN-DUN!!!!

Peggy and Betty enter.

PEGGY

Does your life make you say, "I'm done?"

BARRY

Oh, come on! Really?

BETTY

Well, Peggy, I live in a constant, day-to-day state of existential dread. But what can I do about it?

PEGGY

I'll tell you what!

SOUND CUE: JOE'S LIVE BAIT AND GUN SHOP COMMERCIAL

PEGGY (CONT'D)

SCREW YOUR WIFE, SCREW YOUR BOSS
 SCREW THAT DENTIST ALWAYS
 TELLING YOU TO FLOSS
 IF YOUR LIFE, IS MAKE YOU WISHIN'
 THAT YOU COULD END IT ALL
 OR JUST GO FISHIN'
 WE'VE GOT WHAT YOU NEED
 (YES WE DO)
 TO TELL THE WORLD TO STOP
 (JUST STOP!)
 PUT UP A SIGN THAT SAYS
 GONE FISHIN' OR GONE SHOOTIN'
 WITH JOE'S LIVE BAIT AND GUN SHOP!
 (BANG BANG)

BETTY

Now with seven convenient locations
in Effingham County!

Peggy and Betty exit. Barry shakes his head and continues.

BARRY

The next person you need to know
about was notorious around the Bay
Street Cabaret for being a lady
killer. Did he kill the lady... or
the man... or did his lady killing
ways make the lady... or the man...

(aside to audience)

I promise this will make more sense
in act two.

(back to the microphone)

Either way, this lady killer was no
gentleman. Or was he?

VIC STONE enters, all macho swagger and braggadocio.

VIC

Yeah, my name is Vic. Vic Stone.
You may have seen me in that big
superhero movie that just came out.
I was cab driver number three. I
know, I know. It's exciting. And
what you've heard about me is true.
I've bagged my fair share of dames
in my day. I mean, I've got it
all. Rugged good looks. A
commanding presence. A huge...

Vic looks down, then looks over at Barry with an apologetic
expression. Barry gives him the finger. In response, Vic
puts up his pinkie to say "small." Vic continues.

VIC (CONT'D)

But all that is in the past. I met
someone who showed me I've been
hiding my true self behind a
curtain of toxic masculinity. They
showed me that I didn't need to
spend all my time chasing women.
Sometimes, it's better with a man.

**SOUND CUE: "BETTER WITH A MAN" FROM A GENTLEMAN'S GUIDE TO
LOVE AND MURDER**

At the end of the song, Vic exits.

END ACT 1 SCENE 6

ACT 1 SCENE 7**INT. BAY STREET CABARET STAGE - NIGHT**

Barry continues his podcast.

BARRY
Had Vic really ended his lady
killing ways? Or was he about to
be done in by a killer lady?

Peggy enters with a perfume bottle.

SOUND CUE: LADY OF THE NIGHT PERFUME COMMERCIAL

PEGGY
YOU'RE A LADY
IT'S THE NIGHT

BARRY
(looks at computer)
There must be a way to stop this.

PEGGY
YOU WANT TO FEEL AND SMELL
JUST RIGHT

Barry hits a key on his computer and his Mom enters.

MOM
Barry, it's your mother again.

Barry rapidly hits keys on the computer.

PEGGY
YOU ARE SEXY
OH SO FINE

MOM
I was talking to Miriam Klein...

PEGGY
YOU'RE HOT TO TROT
THAT'S THE BOTTOM LINE

MOM
I think you should ask out her
daughter.

PEGGY
IN THE TWILIGHT
IN THE MOONLIGHT

MOM

She just got out of prison...

PEGGY

SMELL JUST LIKE A LADY OF THE NIGHT

MOM

So, she won't care about your tiny
little...

Barry finally hits the right key and both Peggy and his mom exit. Barry takes a beat and continues.

BARRY

The "femme fatale" of the Bay
Street Cabaret was an object of
desire for many... an unattainable
goddess. But god help anyone she
set her sights on, for her siren
song was irresistible.

LORETTA L'AMOUR enters making a "boom, chicka, boom, chicka" noise as she walks. She addresses a man in the audience.

LORETTA

Oh, hello there. My name is
Loretta L'Amour. What's yours?
(no matter the response)
Richard? Oh, I like that name. Do
they call you Dick for short? They
do? I hope not too short.

Loretta glances over at Barry who just shakes his head.

LORETTA (CONT'D)

I'm not going beat around the bush,
Dick. That's going to be your job
soon enough. You see, I want you.
I want you bad. This is happening,
Dick. Get ready for the ride of
your life because I want you to
hold me. I want you to kiss me. I
want you to spank my ass and call
me Judy. No... not Judy... call me
by my name... it's Loretta. But
you can call me Lola.

SOUND CUE: "WHATEVER LOLA WANTS" FROM *DAMN YANKEES*

At the end of the song, Loretta exits (doing the "boom, chicka" noise as she goes).

END ACT 1 SCENE 7

ACT 1 SCENE 8**INT. BAY STREET CABARET STAGE - NIGHT**

Barry continues his podcast.

BARRY

It seemed like Loretta just might be the type to put the "fatal" back in "femme fatale," one way or another. This is going to sound crazy, but...

Peggy and Betty enter. Both sing the song together.

SOUND CUE: CRAZY FOR CONGRESS COMMERCIAL

SPONSORS

CRAZY

IT'S CRAZY THAT WE GOT ELECTED
WE'RE CRAZY
YOU'VE SEEN THE THINGS THAT WE DO

BETTY

I'm Marjorie Taylor Green.

PEGGY

And I'm Lauren Boebert

BETTY

And we approve this message.

PEGGY (CONT'D)

And we approve this message.

Peggy and Betty exit. Barry continues.

BARRY

...but there was one more person who might be a part of the bloodshed that happened at the Bay Street Cabaret. Now, at first glance, you might not think that someone like this could commit murder. Some would say she was too sweet and innocent to commit murder. Some would say she was too naïve.

(MORE)

BARRY (CONT'D)
Others would say she was just too stupid. They may have been right.

ADDY STUART enters, all smiles and chipper enthusiasm.

ADDY
(waves)
Hi, I'm Addy. Well, my full name is Adelaide, but that's like, so hard to spell. Seriously, I've been trying since I was like, nine, and finally when I was, like, nine and a half, I said, this is hard! So, I'm going to be Addy instead and I've been able to spell that ever since I was, like, twelve. I love being a part of the Bay Street Cabaret. It's, like, so creatively fulfilling, you know? I get to sing and I get to dance and...

Looks down at her chest.

ADDY (CONT'D)
Oh, my God. My tits look so good under these lights.

Addy shakes her chest, giggles, and points.

ADDY (CONT'D)
Look what happens when I spin!

Eventually she gets dizzy and stops.

ADDY (CONT'D)
What was I saying? Oh, right the Bay Street Cabaret. Yeah, I love it here because when I'm on stage I can be anyone I want to be. It's like Halloween!

SOUND CUE: "SEXY" FROM *MEAN GIRLS*

At the end of the song, Addy exits.

END ACT 1 SCENE 8

ACT 1 SCENE 9**INT. BAY STREET CABARET STAGE - NIGHT**

Barry continues the podcast.

BARRY

So, that's it. All the people involved in the Bay Street Cabaret. By the end of intermission, one of them will have committed a terrible crime and one of them will be dead. Who will it be...

The cast enters one by one as introduced.

BARRY (CONT'D)

The Leading Lady, Mare L. Streip. The Leading Man, Wesly Smithsithins Smythe the third. The Stage Manager, Rosalie. The Lady Killer, Vic Stone. The Femme Fatale, Loretta L'Amour. The Ingenue, Addy Stuart.

The Producer enters as well.

BARRY (CONT'D)

Or maybe it was the Producer, Rick. Or someone you might not expect.

Peggy and Betty enter.

BARRY (CONT'D)

It even could've been me. Any of these people could be killed and any one of them could be the killer. And even if they are... will they ever be caught? Will they be brought to justice? Or will they deny their crime?

SOUND CUE: "CELL BLOCK TANGO" FROM *CHICAGO*

NOTE: Everyone stays on stage for this, with Mare, Rosalie, Loretta, Addy, Peggy, and Betty taking the main parts in the number and everyone else singing along on the choruses.

At the end of the number... **BLACKOUT**

END ACT 1 SCENE 9

ACT 2 SCENE 1**INT. BAY STREET CABARET STAGE - NIGHT**

Everyone except the Producer is on stage, some standing, some sitting, some pacing. There are a few beats of silence.

MARE

This is torture. Torture, do you hear me?! What is taking so long?

BARRY

They have to count the votes.

ADDY

Oh, I hate counting. It's hard!
It's like one, two, four, wait.

ROSALIE

(to audience)
Which one of us did you kill, you bastards?!

BETTY

It's going to be me. I just know it is. They never kill the stars. It's always the bit players.

PEGGY

Girl, please. It's obviously going to be one of us.

Peggy points at herself, Wesley, and Vic.

WESLEY

Exactly. Never be Black in a horror film or murder mystery.

VIC

We always die first.

LORETTA

Not necessarily. They also kill the young, hot ones for having sex.

BARRY

Who did you have sex with?

Loretta looks at "Dick" in the audience. Waves. Smiles.

BARRY (CONT'D)
Well, whoever it is... It's gonna
suck.

SOUND CUE: "IT SUCKS TO BE ME" FROM AVENUE Q

After the song, Barry returns to the podcast chair and everyone else exits.

ACT 2 SCENE 2 VERSION A: BARRY ALIVE, WESLEY ALIVE

INT. BAY STREET CABARET STAGE - NIGHT

Barry kicks of the podcast again.

BARRY

So, now you know. <NAME OF VICTIM>
was murdered right there on the Bay
Street Cabaret stage, in a manner
so gruesome that it defied belief.

Barry opens an envelope and reads.

BARRY (CONT'D)

<HOW THEY WERE KILLED>.

The <DEAD PERSON> enters, looking horrified.

<DEAD PERSON>

Really?

BARRY

That's what it says.

<DEAD PERSON>

(to audience)

You people are sick.

The <DEAD PERSON> exits.

BARRY

But who was the killer? There were
lots of suspects and it turns out
that every single one of them had a
motive. Starting with Wesley
Smithsithins Smythe the third.

Wesley enters.

WESLEY

Yes, it's true. I wanted <DEAD
PERSON> dead. You see, I used to
gamble. Nothing big. Five bucks
on blackjack. Ten bucks on
roulette. Eight-hundred and sixty-
two thousand dollars on a fucking
Wheel of Fortune slot machine I was
just sure was going to pay off. I
gave it up, cold turkey, but then
six months ago I got a tip... a
horse that was a sure thing.

(MORE)

WESLEY (CONT'D)

I needed cash to place a wager so I went to <DEAD PERSON> and they gave me a loan. The horse didn't win. In fact it dropped dead. Very sad. And a little selfish. But mostly sad. Like 80 percent sad and 20 percent selfish. Okay, maybe 60/40. Stupid fucking dead horse!

(beat)

<DEAD PERSON> was understanding at first, but when I couldn't pay them back... well, things got ugly. Threats. Intimidation. I couldn't take it anymore. I started selling off my possessions to go to the casino and try to turn it into enough cash to pay my debt. I kept hoping my luck would change.

SOUND CUE: "LUCK BE A LADY" FROM *GUYS AND DOLLS*

WESLEY (CONT'D)

But lady luck proved elusive. I owed too much money, so, yes, I wanted <DEAD PERSON> dead. But did I kill them? I wouldn't bet on it.

(beat)

Bet. See what I did there?

Wesley exits.

Barry turns back to the microphone

BARRY (CONT'D)

So if I'm dead, how am I doing this podcast? It's hard to explain but it boils down to this... you're the ones who voted to kill me, so it's all your fault if it doesn't make sense, okay?

(back to the script)

But who was the killer? There were lots of suspects and it turns out that every single one of them had a motive. Starting with Wesley Smithsithins Smyth the third.

Speaking of crimes, I thought you were dead.

PEGGY OR BETTY (CONT'D)

Really? You're looking for logic in this show? Did you not see the first act?

BETTY

You know what else is a crime?

PEGGY

Tying a man up and using him as your personal bouncy house all weekend even though he says he needs to get back to his wife?

The two do a long fake laugh that ends in "ohhhhh."

BETTY

Actually, I was thinking about the deals at Carma Lou's Mattress Kingdom.

PEGGY

Prices so low, it's practically stealing!

SOUND CUE: CARMA LOU'S COMMERCIAL

 else was he hiding?

Vic enters.

 caused me by revealing my deepest,

BARRY

No! I can't take it anymore. No more commercials. No more!

Peggy takes a beat and walks over Barry.

PEGGY

Do you think I like doing this, Barry? Do you think I'm doing this for fun? Do you, Barry? Do you!? No, I am not. I'm doing this because I have bills to pay, Barry. Do you know how expensive it is to look this cheap? So, unless you have a big checkbook or a big dick - and we heard what your mama said - I suggest you sit there, smile, and appreciate the fact that I've given you a warning instead of kicking your ass. But here's the thing about Addy Stuart. Was she really that stupid? Or was an act? And even if it wasn't, she still might have had a reason to commit murder.

Okay, it's, like, totally true, I was sooooo mad at <DEAD PERSON>.

Okay, here's the thing, we dated for awhile and I thought things were going really good because we, like, liked the same things, you know? Like, puppies? I mean, who doesn't like puppies, right? They're so cute with their itty bitty faces and their teensy weensie paws and you see them and you're like, "who's a good puppy? Who's a good little puppy dog? You are. Yes, you are!"

BARRY

Addy!

ADDY

Right! Anyway, so I was out at a bar for a bachelorette party... "Wooo!!!!"... for my friend Trina, and we were all wearing these wigs in different colors and light up cowboy hats and we looked so hot. So, I said to Trina, I said, "Trina, I can't believe you're getting married because you're such a slut!" And she laughs and was all, "No, you're a slut, you ho!" And I was all, "No, you're a ho!" And she was all, "Well, at least I'm not as much of a slut-ho as Rebecca, because she's having sex with <DEAD PERSON>, too," and I was all like, "Uh-uh," and she was like, "Uh-huh," and I'm all "Uh!" So, I walked right up to <DEAD PERSON> and I said, there's something you oughta know.

SOUND CUE: "YOU OUGHTA KNOW" FROM JAGGED LITTLE PILL

ADDY (CONT'D)

So, yeah, I so mad I could've killed <DEAD PERSON>. But I wouldn't! I mean, how can you kill someone who likes puppies?

Addy shakes her head in disbelief and exits.

END ACT 2 SCENE 7A

ACT 2 SCENE 7B: ADDY IS DEAD**INT. BAY STREET CABARET STAGE - NIGHT**

Barry's podcast continues.

BARRY

There's someone we haven't talked about. **Someone who I always thought was just too dumb to die. No, seriously,** she's so dumb she saw a stop sign and didn't move for three days.

Barry hits a key on his computer.

SOUND CUE: LAUGHTER

BARRY (CONT'D)

She's so dumb I gave her a penny for her thoughts, and I got change.

Barry hits a key again.

SOUND CUE: LAUGHTER

BARRY (CONT'D)

She's so dumb, the first time she used a vibrator she chipped her front tooth.

Barry hits a key. Barry's FATHER, Sol, enters up center.

FATHER

Barry, it's your father, Sol. Just because you have a small penis is no reason not to call your mother.

Barry quickly hits another key and Sol exits.

BARRY

But here's the thing about Addy Stuart. Was she really that stupid? Or was an act? **Did someone catch on to that act and kill her for it? I wish I could've asked her that question.**

Addy enters.

ADDY

Okay, it's, like, totally true, someone was so mad at me. Okay, we dated for awhile and I thought things were going really good because we, like, liked the same things, you know? Like, puppies? I mean, who doesn't like puppies? They're so cute with their itty bitty faces and their teensy weensie paws and you see them and you're like, "who's a good puppy? Who's a good little puppy dog? You are. Yes, you are!"

BARRY

Addy!

ADDY

Right! Anyway, so I was out at a bar for a bachelorette party... "Wooo!!!!"... for my friend Trina, and we were all wearing these wigs in different colors and light up cowboy hats and we looked so hot. So, I said to Trina, I said, "Trina, I can't believe you're getting married because you're such a slut!" And she laughs and was all, "No, you're a slut, you ho!" And I was all, "No, you're a ho!" And she was all, "Well, at least I'm not as much of a slut-ho as Rebecca, because she's having sex with the person you're having sex with," and I was all like, "Uh-uh," and she was like, "Uh-huh," and I'm all "Uh!" So, I walked right up to the person I was having sex with and I said, there's something you oughta know.

SOUND CUE: "YOU OUGHTA KNOW" FROM JAGGED LITTLE PILL

ADDY (CONT'D)

So, yeah, this person was pretty mad at me for that and I think they may have killed because of it.

Addy starts to walk off.

BARRY

Wait! Who killed you?

ADDY

Oh my God, that's the best part!
Okay, so... you ready? You ready?
You ready? You ready? The person
that killed me was...

Barry's Mom enters. While she talks, Addy looks around, confused, and exits.

MOM

Barry, it's your mother. Bad news.
Miriam Klein's daughter is back in
prison. Good news. They have
conjugal visits.

Barry hits a key on his computer, then turns to where Addy was standing.

BARRY

Sorry. Hit the wrong key. Go on.

Barry realizes Addy is gone. Barry turns to the audience.

BARRY (CONT'D)

You didn't think it was going to be
that easy, did you?

Barry turns back to the microphone.

ACT 2 SCENE 8A: ROSALIE IS ALIVE**INT. BAY STREET CABARET STAGE - NIGHT**

Barry continues his podcast.

BARRY

I decided the next person I needed to talk was the stage manager, Rosalie. Turns out she was even more stressed out after the murder than she was before it.

Betty enters with a box of tea.

BETTY

You know what calms me down? A nice cup of Soothing Dreams Tea. I remember when I was little, every time I'd be upset about something that happened at school, my mother would sit me down, pour me a cup of Soothing Dreams, and sing this little song, just for me.

SOUND CUE: SOOTHING DREAMS TEA METAL VERSION

Betty headbangs her way through this. Peggy enters during.

Betty!

Betty stops.

you sell tea! Just... just go,

So, yeah, Rosalie. She ran hot,
but was she a stone cold killer?

Rosalie enters.

ROSALIE

Did I want to kill <DEAD PERSON>?
Of course I did. I mean, most days
I want to kill everybody just to
feel alive, you know? But
specifically <DEAD PERSON>. Fuck,
yeah. They told me they were going
to finally get me out of the hell
of stage managing and that I'd be
able to produce a show.

ROSALIE (CONT'D)

ACT 2 SCENE 9A: LORETTA IS ALIVE**INT. BAY STREET CABARET STAGE - NIGHT**

The podcast continues.

BARRY

I had saved our "Femme Fatale"
Loretta for last. Not because of
what I suspected about the murder,
but because I was worried about
myself around her. I was worried I
would fall under her spell. She
was catnip and I was the pussy.

Peggy and Betty enter, each holding something behind their
backs.

PEGGY

Speaking of pussy...

BARRY

No, no, no! No!

BETTY

It's a commercial for...

BETTY (CONT'D)

Cat food.

PEGGY

Kitty litter.

BARRY

What's behind your backs?

Peggy and Betty both look at each other, then back at Barry,
responding innocently.

PEGGY

Nothing

BETTY

Nothing.

BARRY

Let me see...

Peggy and Betty rather guiltily show that they are each
holding a very large dildo.

BARRY (CONT'D)

Get out.

BETTY

But we had a song!

PEGGY

Do you know how hard it is to find
a word that rhymes with dildo?

BARRY

Get out!

Peggy and Betty exit.

BARRY (CONT'D)

Sorry about that. We were talking
about Loretta. Could she have been
the murderer?

Loretta enters ("boom, chicka, boom"). During this, she
flirts lasciviously with "Dick" in the audience.

LORETTA

I didn't want to kill <DEAD
PERSON>. I was in love with them.
Deeply, madly, passionately,
ardently, rapturously, lustfully,
playfully, witfully, wantonly,
concupiscently...

(aside)

Look it up.

(continues)

What I'm saying is, I was in love.
But they didn't love me back. They
were just after one thing. Sex!
And I don't do that.

(gives a side eye)

They called me a tease. Said I
acted like a cheap slut. A whore.
A horny she-devil. Can you
imagine? Well, I told them in no
uncertain terms, all of this is
strictly look, but don't touch.

SOUND CUE: "PLEASE DON'T TOUCH ME" FROM *YOUNG FRANKENSTEIN*

LORETTA (CONT'D)

After that, <DEAD PERSON> didn't
want me. So no, I didn't want them
dead. But I will admit to thinking
that, if I couldn't have them, then
no one could.

Loretta exits (boom, chicka...).

ACT 2 SCENE 10**INT. BAY STREET CABARET STAGE - NIGHT**

The podcast continues. During the following, all the characters enter as Barry says their names.

BARRY

So, that was it. One murder victim and nine suspects. The stage manager, Rosalie. The leading lady, Mare. The ladies' man, Vic. The sponsors, Peggy and Betty. The leading man, Wesley. The ingenue, Addy. The femme fatale, Loretta. The producer, Rick. And, of course, me. Everybody had a motive and yet, everybody had an airtight alibi. But one of them was lying. The question was, who? It was a question that had stumped the police, the FBI, the NSA, the CIA, Interpol, Scotland Yard, countless private investigators hired by the victim's family, and one guy named Eddie who wandered in off the street but he thought the killer was one of the lizard people who lives in the sewers so we chose to ignore him.

(beat)

I thought it was hopeless. I thought someone was going to get away with murder. And then, late one night, it came to me. A tiny detail that everyone else had overlooked. A detail so infinitesimal that it had escaped everyone's notice.

All of the characters lean in.

BARRY (CONT'D)

(casually)

There are security cameras everywhere. There's one there. There. Over there. Under there. Up there. Back there. There's three above there.

Barry brings his laptop to center stage and the other characters crowd around it to see.

BARRY (CONT'D)
 All I had to do was bring up the
 video feeds and review the
 recordings. What I saw on it,
 shocked me to my core. It rocked
 my very foundation. It was so...

<DEAD PERSON>
 Oh, just hit play. Who killed me?

BARRY
 The murderer is...

Peggy steps forward.

PEGGY
 ...going to be revealed after this
 commercial message from...

Everyone in the cast shouts "NO" or some form of that. Peggy
 steps back.

Barry hits play on the computer and they watch in silence for
 a moment, then everyone gasps and turns to look at the
 <MURDERER> as they step away from them.

<MURDERER>
 Well, shit. Okay, yeah, I killed
 <DEAD PERSON> and it wasn't because
 of what I said before. I did it...
 for Charlie!

Everyone pauses, then ad libs "Who?" "Who the fuck is
 Charlie?" "Do you know a Charlie?" "Charlie Tuna?" Etc.

<MURDERER> (CONT'D)
 Charlie! The sound board operator.
 (points)
 Right there! Every fucking show!

"Charlie" waves and everyone ad libs "Oh!" "Right, Charlie"
 "How ya doing, Charlie?" "That's not Charlie Tuna" etc.

<MURDERER> (CONT'D)
 I love Charlie.

CHARLIE
 I love you, too, baby!

<MURDERER>
 And I hate seeing them stuck behind
 that board all the time instead of
 doing what they really love to do.
 Hardcore gangsta rap.

(MORE)

<MURDERER> (CONT'D)
 Charlie is the best. Could've been
 huge. But <DEAD PERSON> saw a show
 and left a bad review on Trip
 Advisor and it was all over.

<DEAD PERSON>
 You sucked. Seriously sucked.
 I've never seen anything...

<DEAD PERSON>'s microphone is shut off.

CHARLIE
 Oops. Something must've happened
 to your microphone. Sorry.

<MURDERER>
 So, that's why I did it. I killed
 for love. And now that you
 know.... I have to kill all of you,
 too, so I poisoned the water
 backstage.

SOUND CUE: "WHAT I DID FOR LOVE" FROM A CHORUS LINE.

The <MURDERER> sings and one by one during the song, everyone
 drops dead.

At the end of the song, the <MURDERER> looks at the dead
 people all around them.

<MURDERER> (CONT'D)
 And the Bay Street Cabaret was no
 more.
 (to the audience; shrug)
 That's show business.

**SOUND CUE: "THERE'S NO BUSINESS LIKE SHOW BUSINESS" FROM
 ANNIE GET YOUR GUN.**

The characters all get up and sing the song.

THE END
