

MRS. CLAUS IS BACK IN TOWN

(Christmas, Christmas, Christmas)

Well It's Christmas time pretty baby
And the snow is coming down
Well it's Christmas time pretty baby
And see that pretty snow falling on the ground
Aw, you be a real good little boy
Mrs. Claus is back in town

Got no sleigh with reindeer
No pack on my back
You're gonna see me drive up
In a big black Cadillac

Whoa oh it's Christmas time pretty baby
And the snow is fallin' on the ground
Well, you be a real good little boy
'Cause Mrs. Claus is back in town

Hang up my fishnet stockings
Turn off the light baby
Santa Claus is comin'
Down my chimney tonight

Whoa oh-oh-oh it's Christmas time pretty baby
And the snow is fallin' down
Well, you be a real good little boy
Mrs. Claus is back in town

(Christmas, Christmas, Christmas)
