

Women Are Smarter (Pop 04)

Women are so smart they can't be outdone
Men gotta get undressed to count to 21
Women are so smart of this I can vouch
Men sit on the TV and watch the couch

Oh, women are smarter, like way, way smarter
Like build a rocket in the yard for fun kinda smarter
Women are smarter this much is true
Men are so dumb they never know what to do
Women are smarter, it's just routine
Men so dumb they Google "what does smarter?" mean

She so smart and pretty and really nice
He so dumb took an hour to cook minute rice
She can do most anything she wears lots of hats
He thought Meow Mix is a playlist for cats

Oh, women are smarter, like way, way smarter
Like, "playing chess with aliens" kinda smarter.
He's just tryin' to find his shoes again,
He found them on his feet and said "hey where ya been?"

Oh, women are smarter, like way, way smarter
Like pass the vision test with a blindfold kind of smarter
He's went searchin' for the TV remote control.
Found it in his hand... oh bless his soul

Oh, women are smarter, like way, way smarter
Like coding apps in outer space kinda smarter
She don't need a recipe to cook any dish
He so dumb he went and tried to drown a fish

Oh, women are smarter, like way, way smarter
Oh, women are smarter, like way, way smarter
Men are so dumb and women are smarter
Oh, women are smarter, like way, way smarter
We are
