INT. EMILY'S HOUSE - NIGHT

*****SOFT LIGHTS

Emily (speaks with a British accent) enters with a small British flag and Toblerone candy.

01-01-01 - PHONE SFX

Her cellphone rings and she answers it.

EMILY
Hello?

KILLER (O.S.)
Hello.

EMILY
Who is this?

KILLER (O.S.)
Who is this?

EMILY
You called me.

KILLER (O.S.)
Did I?

EMILY
Did you?

KILLER (V.O.)
What?

EMILY
Huh?

KILLER (V.O.)
(beat)
Never mind. What are you doing?

EMILY
Eating Toblerone. I always eat
Toblerone when I watch the "Telly."

KILLER (V.O.)
What are you watching?

EMILY
A '90s sitcom.

KILLER (V.O.)
You like '90s sitcoms?

EMILY
Indubitably.

KILLER (V.O.)
What's your favorite '90s sitcom?

EMILY
Hmmm... I suppose perhaps "The Nanny". Or "Seinfeld". Oh! "Frasier". That's a good one.

KILLER (V.O.)
What about... "Friends"?

01-01-02 - SCARY BACKGROUND MUSIC

EMILY
(beat)
What about it?

KILLER (V.O.)
Didn't you like that show? Emily?

EMILY
How did you know my name?

KILLER (V.O.)
Oh, come on, Emily! Everyone knows you. You're the bitch that got her panties in a twist when Ross called you the wrong name at the wedding. Everybody hated you.

EMILY
That's not true. I was quirky and charming and British.

KILLER (V.O.)
You tried to make him agree to never see Rachel again. He's her lobster!

EMILY
What does that even mean?!

KILLER (V.O.)

You were just one of dozens of
minor characters that were
completely insignificant in the
grand scheme of things. You came
and you went. And now it's time
for you to go... for good.

EMILY

No! It's not my fault! I just did
what they told me to. I mean...
how was I supposed to know?

01-01-03 - ...BABY ONE MORE TIME

*****UPBEAT SONG

...BABY ONE MORE TIME

EMILY

Oh, baby, baby
How was I supposed to know
That somethin' wasn't right here?
Oh, baby, baby
I shouldn't have let you go
And now you're out of sight, yeah
Show me how you want it to be
Tell me, baby, 'cause I need to know now
Oh, because
My loneliness is killin' me
I must confess, I still believe
When I'm not with you, I lose my mind
Give me a sign
Hit me, baby, one more time
Oh, baby, baby
The reason I breathe is you
Boy, you got me blinded
Oh, pretty baby
There's nothing that I wouldn't do
It's not the way I planned it
See upcoming pop shows
Get tickets for your favorite artists
Show me how you want it to be
Tell me, baby, 'cause I need to know now
Oh, because
My loneliness is killin' me
I must confess, I still believe (Still believe)
When I'm not with you, I lose my mind
Give me a sign
Hit me, baby, one more time
My loneliness is killin' me

Emily screams and comes back on with a murder weapon in her head. She dies and her body is dragged off by an unseen killer.

I'LL BE THERE FOR YOU**ALL**

So no one told you life was gonna be this way
 Your job's a joke, you're broke, your love life's D.O.A.
 It's like you're always stuck in second gear
 When it hasn't been your day, your week
 Your month, or even your year, but

MEN (WOMEN)

 I'll be there for you

*****COFFEE HOUSE DAY

01-02-02 - FRIENDS TRANSITION MUSIC 02

Chandler, Monica, and Phoebe are on the couch. Joey is in the SR chair. Rachel is in the SL chair. Gunther is at the coffee bar. Janice is upstage, back to the audience.

CHANDLER

Could I be any more thirsty?

PHOEBE

Wait! I know this one... no I don't. Could you be?

MONICA

You know the rules. Nobody gets coffee until everybody learns how to use a coaster.

Everyone looks at Joey.

JOEY
 (beat - smiles)
 How you doin'?

MONICA
 All right, fine. Rachel, you can
 bring us coffee.

RACHEL
 Me? Why me?

CHANDLER
 Could you *be* a worse waitress?

RACHEL
 (sighs)
 We're still at the part of the show
 where I work here? That sucks.

Rachel gets up and goes to the coffee bar.

RACHEL (CONT'D)
 Gunther, I need you...

GUNTHER
 (interrupts)
 Finally! I've been waiting for
 this moment my entire life!

RACHEL
 ...to get us some coffee.

GUNTHER
 Oh. Sure. That's good, too.
 (aside)
 Cocktease.

Joey sees Janice but doesn't recognize her.

JOEY
 Hey, who's the hottie?

PHOEBE
 Wait! I know this one... no I
 don't. Who is she?

JOEY
 (to Janice)
 How you doin'?

Janice turns around.

JANICE
 Oh. My. God.

PHOEBE

It's Janice! I did know that one.

CHANDLER

Janice? What are you doing here?
You know I'm with Monica, now.

JANICE

Oh, I know, Chandler. But just
because the dog has a collar
doesn't mean he can't stray.
(braying laugh)

RACHEL

Hey! I wasn't a waitress when
Chandler and Monica started hooking
up. That came later.

CHANDLER

Could this *be* any more of a mashup
of ten years worth of plot
condensed into a two hour show
therefore combining multiple
timelines of character development?

Ross runs in.

ROSS

You guys! You'll never believe
what happened!

RACHEL

Oh, I don't know, Ross. Did you
sleep with the girl from the copy
shop again?

ROSS

We were on a break!

CHANDLER

Wait a minute... Ross? Could you
be any less white? Did you get
caught in the spray tan booth
again?

ROSS

The instructions aren't clear! But
that's not important right now.
Emily has been murdered!

Gasps, pause.

PHOEBE

Who's Emily?

ROSS
My ex-wife.

JOEY
I thought your ex-wife was Carol.
The lesbian.

ROSS
My other ex-wife. The British one
that I met because she's the niece
of Rachel's boss at the department
store.

RACHEL
Wait. I don't work here?! Then
get your own damn coffee.

JOEY
Aren't you two married?

ROSS
No! That was just a drunken Vegas
thing that hasn't happened yet.

GUNTHER
Which wife was the hairy one that
would throw her feces at the wall?

ROSS
That was Marcel, my monkey! And we
weren't married, we just lived
together.

JANICE
Love is love, Ross.

ROSS
You guys, Emily is dead. What if
the killer comes after us next?

Everyone looks at each other, nervously.

PHOEBE
Everybody needs to chill out. Ooo!
I have an idea.
(pulls out guitar)
Let's sing mellow coffee house

 Says, "Come here boy, there ain't nothin' for free"

You know you love him if you put him in your will, but

RACHEL

Who will save your souls?
When it comes to the flowers now
Who will save your souls?

Now, who will save your souls?
If you won't save your own?

SON
I don't want milk. Milk is for babies.

DAUGHTER
Yeah! Babies.

MOTHER
Oh yeah? Well, I happen to know that milk helps build strong bones. And if you don't drink it, you'll go missing just like this kid on the back of the carton.

SON
No! I don't want to go missing.

DAUGHTER
Me neither!

MOM
Then you better drink up.

Mom goes to pour the milk but it's empty.

MOM (CONT'D)

NOTE: During the monologues, everyone else does stage business - reading, sotto voce conversation, etc. They do not interact or react to the person giving the monologue unless noted. During songs there will be minor "couchography" and singing.

Monica looks at her phone - stands.

MONICA

Oh my god, you guys! My former boyfriend Richard has been murdered!

Everyone looks at Monica, shrugs, then goes back to what they were doing. Monica begins cleaning up.

MONICA (CONT'D)

This is terrible. People like Richard shouldn't get murdered. He was hot. He looked like Magnum PI for god's sake. Hot people shouldn't get brutally killed. That's why it rarely happens in '90s sitcoms. I mean, they did have that one very special episode of Home Improvement where the neighbor that's always hidden by a fence accidentally falls into Tim's wood chipper, but that was an accident. And we didn't know if he was hot anyway. The only reason why any of us impossibly good looking people who wear stylish clothes we can't possibly afford should die is if they don't use a coaster! No, '90s sitcoms are this decade's version of Hollywood glamour. You know, like the old days with Greta Garbo and Monroe. Dietrich and DiMaggio.

Could my former girlfriend Kathy *be* any more dead? This isn't good. I'm not as hot as the rest of you guys even though I dated Julia Roberts. I'm the funny one. The funny ones are always the favorite in '90s sitcoms but maybe this isn't one. Maybe this is a '90s horror movie instead. Something spooky and eerie like... The Savannah Paranormal Museum, home to an assortment of haunted artifacts collected from around the world. From paranormal history to in person experience, the museum invites you to explore the supernatural. But my point is, the funny one never makes it to the end of the horror movie. Well, except for that guy Randy in the first Scream movie but he died in the second movie and he was played by Jamie Kennedy so that "experiment" clearly didn't work.

(beat - to audience)

See, there was this show in the early 2000s called "The Jamie Kennedy Experiment" and... never mind.

(beat)

The funny ones always get killed. Unless they're the killer. Sometimes the funny ones are also kind of crazy. But I say let the funny ones live! I mean, do we really want to live in a world with no funny people? How low can we go? How low? Hello? Hello?

 There is just one thing I need
 I don't care about the presents underneath the Christmas tree
 I just want you for my own
 More than you could ever know
 Make my wish come true
 All I want for Christmas is you

FANTASY

Oh, when you walk by every night
 Talking sweet and looking fine
 I get kinda hectic inside
 Mmm, baby I'm so into you
 Darling, if you only knew
 All the things that flow through my mind

But it's just a sweet sweet fantasy baby
 When I close my eyes
 You come and you take me
 It's so deep in my daydreams
 But it's just a sweet, sweet fantasy baby

DREAMLOVER

Ooh baby, baby
 Ooh baby, oh, yeah
 I need a lover to give me
 The kind of love that will last always
 I need somebody uplifting
 To take me away, babe
 Oh yeah, yeah

I want a lover who knows me, yeah (ooh)
 Who understands how I feel inside
 Someone to comfort and hold me
 Through the long lonely nights
 Til' the dawn
 Why don't you take me away?

Dreamlover, come rescue me
 Take me up, take me down
 Take me anywhere you want to, baby, now
 I need you so desperately
 Won't you please come around?
 'Cause I wanna share forever with you, baby

HONEY

Oh, oh
 Honey got me hooked on you
 I like that

Oh honey, you can have me when you want me (Yeah)
 You simply ask me to be there (Uh-huh)
 And you're the only one who makes me come running

'Cause what you got is far beyond compare, oh

And its just like honey
 When your love comes over me (That's right)
 Oh baby, I've got a dependancy
 Always strung out for another taste of your honey

It's like honey when it rushes over me
 You know sugar never ever was so sweet
 And I'm dyin' for ya, cryin' for ya, I adore ya
 One hit of your love addicted me (Yeah)
 Now I'm strung out on you darlin' don't you see?
 Every night and day
 I can't hardly wait for another taste of honey

Whoa, whoa, every little thing you do, Whoa

ALWAYS BE MY BABY

Do do doop dum
 Do do doop do doop da dum
 Do do doop dum
 Do do doop do doop da dum
 Do do doop do do do
 Do do doop do doop da dum
 Do do doop dum
 Do do doop do doop da dum

We were as one, babe
 For a moment in time
 And it seemed everlasting
 That you would always be mine
 Now you want to be free
 So I'm lettin' you fly
 'Cause I know in my heart babe
 Our love will never die

No you'll always be a part of me
 I'm part of you indefinitely
 Boy don't you know you can't escape me
 Oh darlin' 'cause you'll always be my baby
 And we'll linger on
 Time can't erase a feelin' this strong
 No way you're never gonna shake me
 Oh darlin' cause you'll always be my baby

Do do doop
 Do do doop do doop da dum
 Do do doop dum

He was Dr. Drake Ramoray and he was
on "Mac and C.H.E.E.S.E.," that

JOEY

Man, it's a hot one
 Like seven inches from the midday sun
 Well, I hear you whisper and the words melt everyone
 But you stay so cool

My muñequita, my Spanish Harlem Mona Lisa
You're my reason for reason
The step in my groove

And if you said this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
Because you're so smooth

And it's just like the ocean under the moon
Oh, it's the same as the emotion that I get from you
You got the kind of lovin' that can be so smooth, yeah
Give me your heart, make it real, or else forget about it

But I'll tell you one thing
If you would leave it'd be a crying shame
In every breath and every word
I hear your name calling me out

Out from the barrio
You hear my rhythm on your radio
You feel the turning of the world, so soft and slow
It's turning you round and round

And if you said this life ain't good enough
I would give my world to lift you up
I could change my life to better suit your mood
Because you're so smooth

Well, and it's just like the ocean under the moon
Well, it's the same as the emotion that I get from you

Bless me father, for I have sinned.
I've been guilty of pride... I was
kind of proud of how I tried to
steal Rachel away from Ross and he
got so jealous that they had a
fight and slept with the copy place
girl because he thought they were
on a break. And I've been guilty
of greed... I was always trying to
get a better job so I could wear
nicer suits. Lust, of course.
Rachel, duh. Envy? I guess I was
envious of Ross because he had
Rachel. I'm not sure about
gluttony, wrath, and sloth, but I
probably did those, too. So, yeah,
I committed the seven deadly sins.
What is my penance?

A cardboard box is tossed on stage. Mark looks at it.

I hope this doesn't affect my hair. I have great hair, don't I? Let me tell you it was a sensation. The Rachel. White women everywhere had hair just like this. Then later they kind of sheared off the back of it and it became the Karen, but that's not my fault. What were we talking about? Oh right, Mark. Yeah, he was a good guy and I never understood what made Ross so jealous that he'd go and cheat on me with that girl from the copy place. Chloe. Ugh. I hate Chloe. Why couldn't she have been brutally murdered? But I'm sure they'll be very happy together and I'm happy for them. I wish nothing but the best for them both.

I want you to know
That I'm happy for you
I wish nothing, but
The best for you both

An older version of me
Is she perverted like me?

Would she go down on you in a theatre?
Does she speak eloquently?
And would she have your baby?
I'm sure she'd make a really excellent mother

'Cause the love that you gave that we made
Wasn't able to make it enough for you to be open wide
No, and every time you speak her name
Does she know how you told
Me you'd hold me until you died?
'Til you died, but you're still alive

And I'm here, to remind you
Of the mess you left when you went away
It's not fair, to deny me
Of the cross I bear that you gave to me
You, you, you oughta know

You seem very well
Things look peaceful
I'm not quite as well
I thought you should know

Did you forget about me
Mr. Duplicity? I hate to bug you in the middle of dinner
But it was a slap in the face
How quickly I was replaced
And are you thinking of me when you fuck her

'Cause the love that you gave that we made
Wasn't able to make it enough for you to be open wide
No, and every time you speak her name
Does she know how you told me
You'd hold me until you died?

I'm actually okay with that. Not the lesbian part. I mean, I'm okay with lesbians as a general rule. They're fine. Not crazy about the Birkenstock thing, but the rest of it is okay with me. So, I didn't mean I'm okay with lesbians in general being murdered... just this particular lesbian because of the whole lesbianing with my wife Carol while we were still married stuff. That kind of broke my heart, which became a recurring theme for me. There was Carol and Julie and Elizabeth and Emily and a bunch of other ones that nobody remembers the names of... and of course Rachel. She broke my heart a bunch of times. You can tell the world you never was my girl
 You can burn my clothes up when I'm gone
 Or you can tell your friends just what a fool I've been
 And laugh and joke about me on the phone

You can tell my arms go back to the farm
 You can tell my feet to hit the floor

Or you can tell my lips to tell my fingertips
They won't be reaching out for you no more

But don't tell my heart, my achy breaky heart
I just don't think he'd understand
And if you tell my heart, my achy breaky heart
He might blow up and kill this man, Ooh

You can tell your ma I moved to Arkansas
Or you can tell your dog to bite my leg
Or tell your brother Cliff who's fist can tell my lips
He never really liked me anyway

Or tell your Aunt Louise, tell anything you please
Myself already knows I'm not okay
Or you can tell my eyes to watch out for my mind
It might be walking out on me one-day

But don't tell my heart, my achy breaky heart
I just don't think he'd understand
And if you tell my heart, my achy breaky heart
He might blow up and kill this man

Nobody I know got brutally murdered. I'm not sure if I even know anyone outside of this place that could be murdered. I was in 164 of the 235 episodes but we never know anything more about my character than that he served coffee, he was once a soap opera actor, and he speaks Dutch. I didn't even have a last name! He was just Gunther. That's all we know about me... except that I'm in love with Rachel. But not in a creepy way. Mostly. Although with my luck the cops will see it that way and I'll be the first person they suspect of all these murders. But my love for Rachel is not creepy, it's endearing.  I'm leavin' my life in your hands
 People say I'm crazy and that I am blind
 Risking it all in a glance
 And how you got me blind is still a mystery
 I can't get you out of my head

Don't care what is written in your history
 As long as you're here with me
 I don't care who you are
 Where you're from
 What you did
 As long as you love me
 Who you are
 Where you're from
 Don't care what you did
 As long as you love me

All you people can't you see, can't you see
 How your love's affecting our reality
 Every time we're down
 You can make it right
 And that makes you larger
 That makes you larger

That makes you larger

 I can understand how you'd be so confused

So take me as I am
 This may mean you'll have to be a stronger man
 Rest assured that when I start to make you nervous
 And I'm going to extremes
 Tomorrow I will change and today won't mean a thing

I'm a bitch, I'm a lover
 I'm a child, I'm a mother
 I'm a sinner, I'm a saint
 I do not feel ashamed

ROSS

I ONLY WANNA BE WITH YOU

You and me, we come from different worlds
You like to laugh at me when I look at other girls
Sometimes you're crazy and you wonder why
I'm such a baby 'cause the dolphins make me cry

Well there's nothing I can do
I've been looking for a girl like you

You look at me, you've got nothing left to say
I moan and pout at you until I get my way

I won't dance, you won't sing
I just wanna love you but you wanna wear my ring

Well there's nothing I can do
I only wanna be with you
You can call me your fool
I only wanna be with you

HOLD MY HAND

With a little love and some tenderness
We'll walk upon the water, we'll rise above the mess
With a little peace and some harmony
We'll take the world together, we'll take 'em by the hand

'Cause I got a hand for you, oh
'Cause I wanna run with you

Yesterday, I saw you standin' there
Your head was down, your eyes were red, no comb had touched
your hair
I said, "Get up and let me see you smile
We'll take a walk together, walk the road awhile," 'cause

'Cause I got a hand for you (I got a hand for you)
'Cause I wanna run with you (Won't you let me run with you?
Yeah)

(Hold my hand) Want you to hold my hand
(Hold my hand) I'll take you to a place where you can be
(Hold my hand) Anything you wanna be because
I wanna love you the best that, the best that I can

See, I was wasted and I was a-wastin' time
'Til I thought about your problems, I thought about your
crimes
Then I stood up and then I screamed aloud
I don't wanna be part of your problems, don't wanna be part
of your crowd, no

'Cause I got a hand for you (I got a hand for you)
'Cause I wanna run with you (Ah, won't you let me run with
you?)

(Hold my hand) Want you to hold my hand
(Hold my hand) I'll take you to the promised land
(Hold my hand) Maybe we can't change the world, but
I wanna love you the best that, the best that I can, yeah
The best that I can

My apartment and the coffee shop are the only places we ever are, so if they're not here and they're not there then... maybe the killer got them all. Oh my God... that means... I'm the star of the show. Which is how it was supposed to be. I was on "Family Ties!" I danced with Bruce Springsteen! This was supposed to be mine, all mine! MAN I FEEL LIKE A WOMAN

Let's go girls

C'mon

I'm goin' out tonight, I'm feelin' alright

Gonna let it all hang out

Wanna make some noise, really raise my voice

Yeah, I wanna scream and shout, uh

No inhibitions, make no conditions

Get a little outta line
 I ain't gonna act politically correct
 I only wanna have a good time

The best thing about bein' a woman
 Is the prerogative to have a little fun and

Oh, oh, oh, go totally crazy, forget I'm a lady
 Men's shirts, short skirts
 Oh, oh, oh, really go wild, yeah, doin' it in style
 Oh, oh, oh, get in the action, feel the attraction
 Color my hair, do what I dare
 Oh, oh, oh, I wanna be free, yeah, to feel the way I feel
 Man, I feel like a woman (hey!)

THAT DON'T IMPRESS ME MUCH

Ow

Uh-huh, yeah, yeah

I've known a few guys who thought they were pretty smart
 But you've got being right down to an art
 You think you're a genius, you drive me up the wall
 You're a regular original, a know-it-all

Oh-oh, you think you're special
 Oh-oh, you think you're something else
 Okay, so you're a rocket scientist

That don't impress me much (oh, oh, ooh)
 So you got the brains, but have you got the touch?
 Now, don't get me wrong, yeah, I think you're alright
 But that won't keep me warm in the middle of the night
 That don't impress me much
 Uh-huh, yeah, yeah

I never knew a guy who carried a mirror in his pocket
 And a comb up his sleeve, just in case
 And all that extra hold gel in your hair oughta lock it
 'Cause Heaven forbid it should fall outta place

Oh-oh, you think you're special
 Oh-oh, you think you're something else
 Okay, so you're Brad Pitt

That don't impress me much (oh, oh, ooh)
 So you got the looks, but have you got the touch?
 Now, don't get me wrong, yeah, I think you're alright
 But that won't keep me warm in the middle of the night
 That don't impress me much
 Ow, and yeah
 Woo

You're one of those guys who likes to shine his machine
 You make me take off my shoes before you let me get in
 I can't believe you kiss your car good night

Now come on, baby, tell me, you must be jokin', right?

Oh-oh, you think you're something special
 Oh-oh, you think you're something else
 Okay, so you got a car

That don't impress me much (oh, oh, ooh)
 So you got the moves, but have you got the touch?
 Now, don't get me wrong, yeah, I think you're alright
 But that won't keep me warm in the middle of the night
 That don't impress me much (that don't impress me)
 Oh, oh no, you think you're cool, but have you got the touch?
 Now, now, don't get me wrong, yeah, I think you're alright

 She said it's lack of sex that's bringing me down
 I went to a whore, she said my life's a bore
 So quit my whining 'cause it's bringing her down

I wonder where everyone is? What if they've all been brutally murdered? Awwww, that'd be so sad. And I mean not just for the dead people, but for the killer, too because if everyone was dead then the killer wouldn't have anybody left to kill. Not that I support killing of any kind. I'm very firmly against homicide. Ask anyone. But I'm also very firmly for being who you are, you know? No shame. So, if you're a serial killer then be the best darned serial killer you can be. I mean, you shouldn't kill, but I know it's tough - everyone can be so judgy about things like stabbing people in the head. But it'll get better, I promise. You just have to hold on.

HOLD ON

PHOEBE

I know this pain
 Why do you lock yourself up in these chains?
 No one can change your life except for you
 Don't ever let anyone step all over you
 Just open your heart and your mind
 Is it really fair to feel, this way inside?

Some day somebody's gonna make you want to turn around and say goodbye

Until then, baby, are you going to let 'em hold you down and
 make you cry?
 Don't you know?
 Don't you know, things can change
 Things'll go your way
 If you hold... on for one more day
 Can you hold... on for one more day?
 Things'll go your way...
 Hold on for one more day

You could sustain
 Or are you comfortable with the pain?
 You've got no one to blame for your unhappiness
 You got yourself into your own mess
 Lettin' your worries pass you by
 Baby, don't you think it's worth your time
 To change your mind?

Some day somebody's gonna make you want to turn around and
 say goodbye
 Until then, baby, are you going to let 'em hold you down and
 make you cry?
 Don't you know?
 Don't you know, things can change
 Things'll go your way
 If you hold... on for one more day
 Can you hold... on for one more day?
 Things'll go your way
 Hold on for one more day

I know that there is pain, but you
 Hold on for one more day, and ya
 Break free from the chains...
 Yeah I know that there is pain, but you
 Hold for one more day, and ya
 Break free, break from the chains

Some day somebody's gonna make you want to turn around and
 say goodbye
 Until then, baby, are you going to let 'em hold you down and
 make you cry?
 Don't you know?
 Don't you know, things can change
 Things'll go your way
 If you hold... on for one more day, yeah
 If you hold on

*****COFFEE HOUSE NIGHT

Joey enters and sits on the couch, casually as if nothing is wrong. As he names people, he turns around looking for them as if he is just noticing they aren't there.

JOEY

Hey Chandler, did you see the...
 (looks the other way)
 Monica, are there any...
 (looks behind him)
 Rache? Ross? Phoebe? Coffeehouse
 guy that I can never remember the
 name of? What's her face? Those
 other people? Wait a minute... I
 think I'm all alone in here. Aww
 man, I think I might be the last
 one alive. That sucks! Everyone
 else gets to be dead, why can't I?
 Why does everything bad always
 happen to me?! I'm such a loser.

02-13-02 - ALL STAR

*****UPBEAT SONG

ALL STAR

JOEY

Somebody once told me the world is gonna roll me
 I ain't the sharpest tool in the shed
 She was looking kind of dumb with her finger and her thumb
 In the shape of an "L" on her forehead

Well, the years start coming and they don't stop coming
 Fed to the rules and I hit the ground running
 Didn't make sense not to live for fun
 Your brain gets smart but your head gets dumb

So much to do, so much to see
 So what's wrong with taking the back streets?
 You'll never know if you don't go
 You'll never shine if you don't glow

Hey, now, you're an all-star, get your game on, go play
 Hey, now, you're a rock star, get the show on, get paid

And all that glitters is gold
Only shooting stars break the mold

It's a cool place and they say it gets colder
You're bundled up now wait 'til you get older
But the meteor man beg to differ
Judging by the hole in the satellite picture

The ice we skate is getting pretty thin
The water's getting warm so you might as well swim
My world's on fire. How about yours?
That's the way I like it and I'll never get bored

Hey, now, you're an all-star, get your game on, go play
Hey, now, you're a rock star, get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold

Go for the moon, Go for the moon, Go for the moon, Go for the moon

Hey, now, you're an all-star, get your game on, go play
Hey, now, you're a rock star, get the show on, get paid
And all that glitters is gold
Only shooting stars break the mold

END ACT 2 SCENE 13

ACT 2, SCENE 14 - KILLER/SURVIVOR/SCREAM/END OF THE
ROAD/SPICE GIRLS

INT. CENTRAL LURK - NIGHT

In the blueout, all of the VICTIMS and the KILLER come out carrying one of the colorful umbrellas and stands at the back behind them.

NOTE: The KILLER is the last one in line, farthest stage right.

NOTE: We may replace some of these lines with character specific lines. (ie: if Joey is the Survivor, he may say "How you doing?")

*******CENTRAL LURK NIGHT**

The SURVIVOR enters from EOT.

SURVIVOR
Hello? Hello? Wait... what are
all these colorful umbrellas doing
here? It looks like it might rain,
so I guess I'll take one.

They take an umbrella, revealing VICTIM #1. The survivor screams.

SURVIVOR (CONT'D)
VICTIM #1?! No! This is horrible!
I really wanted to use that
umbrella. Oh, well, I guess I'll
take this one.

They discover VICTIM #2. More screaming.

SURVIVOR (CONT'D)
VICTIM #2! Not VICTIM #2! Maybe
I'll have better luck with one of
these.

They take two umbrellas revealing VICTIM #3 and VICTIM #4. Screaming ensues.

SURVIVOR (CONT'D)
VICTIM #3! VICTIM #4! No, no, no!
I've got to get out of here! But
it's still raining!

They take down two more umbrellas and reveal VICTIM #5 and VICTIM #6. Scream!

SURVIVOR (CONT'D)
 Oh my God, **VICTIM #5!** **VICTIM #6!**
 I never really liked you guys
 anyway.

The last two umbrellas come down to reveal VICTIM #7 and VICTIM #8. Screaming.

SURVIVOR (CONT'D)
VICTIM #7! **VICTIM #8!** I totally
 didn't expect there to be more dead
 people behind those!

The Survivor walks down center.

SURVIVOR (CONT'D)
 But wait... That's everybody.
 That's the whole cast. They can't
 all be dead because then I'd be the
 killer and I didn't kill anyone!
 Then that means... one of you is
 not really dead! Who is it!

The Killer steps forward.

KILLER
 That would be me!

SURVIVOR
KILLER NAME? You killed our
 friends?

KILLER
 That's right. It was me all along!
 See, the **MURDER WEAPON** in my head
 is fake. All of those in their
 heads are real, but mine is just a
 prop, see?

SURVIVOR
 But why? Why would you kill all of
 our friends?

The Killer's response will be different for every character.

KILLER
If Monica: Because they kept
leaving coffee rings on the table!
I hate that!

If Rachel: Because they all thought
Ross and I were on a break! I hate
that!

(MORE)

KILLER (CONT'D)

If Phoebe: Because they didn't know
all the words to Smelly Cat! I
hate that!

If Chandler: Listen to me. Could I
be any more insane?

If Joey: Because none of them ever
asked how I was doing! I hate
that!

If Ross: Because let's face it, if
anyone was going to snap and kill
everybody it was going to be me. I
play with dinosaur bones.

If Gunther: Oh come on! I
basically stalked Rachel for 10
years. Is this really a surprise?

If Janice: Because the rest of you
never accepted Janice as part of
the group. You never let me be a
friend!

If Supporting: Because I'm a
monkey. You're just lucky I didn't
throw my feces at the wall while I
was doing it.

KILLER (CONT'D)

And now, it's time for you to die,
too.

SURVIVOR

No! No, you can't kill me. That
makes me want to scream!

02-14-01 - SCREAM

*****UPBEAT SONG

During the song, the Killer and the Survivor "fight" and
attempt to kill and/or survive each other.

SCREAM**SURVIVOR**

I'm tired of injustice, I'm tired of the schemes
Your lies are disgusting
So, what does it mean, damn it?
Kickin' me down, I got to get up
As jacked as it sounds
The whole system sucks, damn it

KILLER

Peek in the shadow, come into the light
 You tell me I'm wrong
 Then you better prove you're right
 You're sellin' out souls but I, I care about mine
 I've got to get stronger
 Then I won't give up the fight

BOTH

With such confusion, don't it make you wanna scream? (make
 you wanna scream)
 Your bash abusin' victimize within the scheme
 You try to cope with every lie they scrutinize
 Somebody please have mercy
 'Cause I just can't take it

Stop pressurin' me
 Just stop pressurin' me
 Stop pressurin' me
 Make me wanna scream
 Stop pressurin' me
 Just stop pressurin' me
 Stop pressurin' me
 Make me wanna scream

SURVIVOR

Tired of you tellin' the story your way
 It's causin' confusion
 You think it's okay, damn it

KILLER

You keep changin' the rules while I, I keep playin' the game
 I can't take it much longer
 I think I might go insane

BOTH

With such confusion, don't it make you wanna scream? (make
 you wanna scream)
 Your bash abusin' victimize within' the scheme (I keep
 screamin' that)
 You find your pleasure scandalizin' every lie
 Oh Father, please have mercy
 'Cause I just can't take it

Stop pressurin' me
 Just stop pressuring' me
 Stop pressuring' me
 Make me wanna scream
 Stop pressurin' me
 Just stop pressurin' me
 Stop fuckin' with me
 Make me wanna scream

At the end of the song, the Survivor kills the Killer.

*******CENTRAL LURK NIGHT**

SURVIVOR (CONT'D)
 Oh, thank God it's all over. I'm
 the final survivor but all my
 friends are dead. Farewell old
 friends. I guess we've hit the end
 of the road.

02-14-02 - END OF THE ROAD

*******SLOW SLONG**

END OF THE ROAD

ALL

Although we've come
 To the end of the road
 Still I can't let go
 It's unnatural
 You belong to me
 I belong to you

Come to the end of the road
 Still I can't let go
 It's unnatural
 You belong to me
 I belong to you

EMILY
 Wait, stop!

The music stops with a record scratch.

EMILY (CONT'D)
 That's much too sad of a song to
 end with. We need something lively
 and upbeat.

RACHEL
 Wait. Are you Emily again?

EMILY
 Yes. Just go with it.

ROSS
 All right. Well, what do you want
 to end the show with?
